FOREWORD

Performing the traditional function of the Senior Class we, the editors for 1939, present our volume of L'Acadien. We hope that our fellow students and the friends of Southwestern may find happily recorded in its pages the current campus scene.

It is a scene greatly widened in range and enriched in activity. May this volume help to grant it a permanent lodgment in the history of our college.

Dedication

In the history of Southwestern, the year 1939 shall be chronicled as a year of great fulfillment. It has marked the induction of a program of advancement unprecedented in the institution's life.

These things of good, large in number and far-reaching in usefulness, have come to our college mainly through the constant effort of the young alumnus who is now her chief administrator, President Lether Edward Frazar.

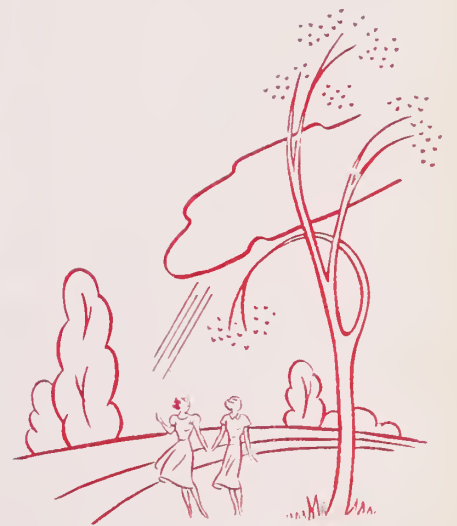

Mr. Frazar's career in the field of education has been, in point of time, but a brief decade, while his achievements have been those of a man of many years. He has been identified with every recent measure advocated in support of the schools and teaching profession of his state. To this work he has brought all the influence of his genial personality, all his loyalty and all his talents. The Greater Southwestern which he long envisioned he has even now done much to materialize.

L'Acadien acclaims him! Its editors rejoice with him; they rejoice because of him; and to him they gratefully dedicate this volume.

The staff of this yearbook wish particularly to thank Governor Richard W. Leche for his kindly interest and assistance in the conduct of L'Acadien's beauty contest. To have his days crowded to the last minute conducting the business of the State, and still find time for these pages, is generous indeed. We are sincerely grateful.

THE VERMILION

The Vermilion is the weekly publication of the students of Southwestern Louisiana Institute written by and for them. It strives to condense and publish for the students an account of the happenings of the week in an unbiased impartial manner that will satisfy their desire for knowledge of the happenings of their Alma Mater.

The Vermilion has long been an institution of Southwestern which has as its motive the support of the successful fight of the college for great recognition and higher standards.

The publication is the work of a group of students who are interested in writing. Without the loyal support of a regular group, the publication would be impossible. The Vermilion is a cooperative endeavor.

L ' A C A D I E N

The most exasperating job on the campus, no doubt, is editing L'Acadien. But with this issue, the staff sincerely hopes and believes that their efforts will be appreciated. We have done our best to make this an annual that will be of interest for years to come. In it we have included as much campus life as is possible in the limited space. By the use of more pictures, we believe that the book will be more representative than in the past years. With the use of the Red and White color scheme, the increased size of the pages, and the padded cover, we feel that an improvement has been made.

So without further ado, we present to you L'Acadien for 1939, and hope that it pleases you.

AVATAR FORENSIC SOCIETY

Officers

CLAUDE BOUDREAUX.....President
CHARLES DEBAILLON.....Vice-President
JANET ABRAMSON.....Treasurer
BEVERLY MICHOT.....Reporter
MR. J. J. BARRY.....Faculty Adviser

The society promotes training in open and formal debate, extemporaneous and formal debate, and parliamentary practice.

At its weekly meetings, questions of national and international interest are discussed in a manner which makes the individual member well versed on the current trends of his nation and his world. The Dupre Shield serves as a stimulus to activity because it is given annually to the Avatar Society if it wins more debates than does its rival, the Attakapas.

The participation in the Julien Mouton Debate, a feature of commencement week, climaxes the activities of the year.

Its members thrash out and theoretically solve the current problems of the day in their discussions of world and national problems, but this one phase of discussion does not include all that the Attakapas Forensic Society features among its activities.

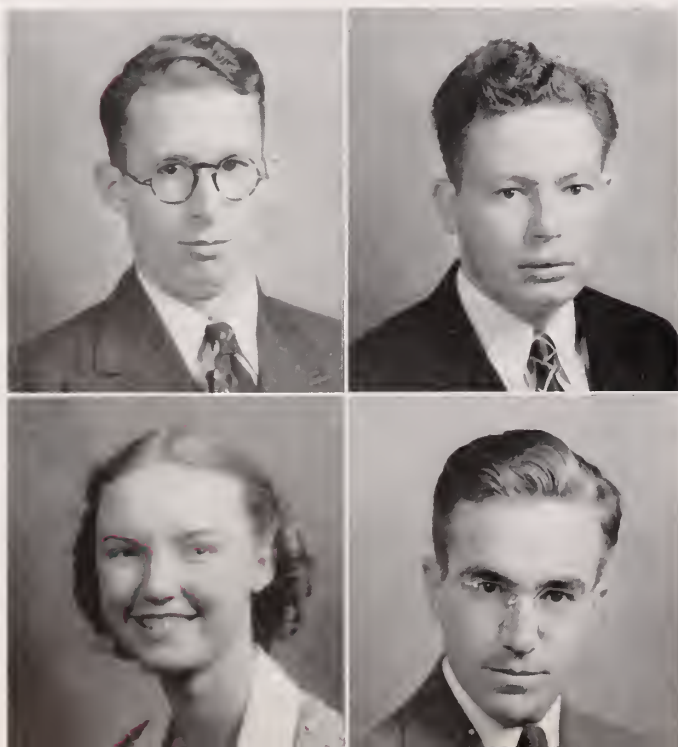

It gives training in open and formal debate, extemporaneous and impromptu speech, and parliamentary drill. It debates with its rival—the Avatar Forensic Society—each year for the Dupre Shield, and it climaxes its year's activities by participating in the Julien Mouton Debate.

The society serves both as a means of relaxation from studies and as a means of current education to its members.

MISS EMILY H. HUGER.....	Faculty Adviser

In order to promote an interest and appreciation in art, the Southwestern Art Club was organized. Throughout the year Southwestern art students intend to participate in all exhibits and in whatever way possible, render their services to Southwestern.

The students up to date have participated in several exhibits and have placed in all, including competition of nationally acclaimed artists. The club is fostering school spirit on the campus by sale of license Bulldogs.

The club also plays an important part in the Mid-Winter Festival, in school operas and at homecoming.

This is an organization for the purpose of giving all who are interested in writing, a chance to do so. Officers are elected each year, and anyone who is sincerely interested may become a member.

None of the members are required to write, but by association through meetings and round table discussions their desire to write is encouraged. And it is to these students we look to for the better composed short stories and poems of the campus.

Contributions of the members, both in our language and the Romance languages, are printed in the Scribblers Script, a paper published by the organization.

This club is organized to promote a closer union among engineering students and to afford an opportunity for them to hear and meet practicing engineers.

In the early part of 1935 the need for an organization having in its purpose a program that would serve to unite the engineering students under a single title was conceived by prominent students in the engineering class of that year.

The purpose of the organization has been successfully carried out in the form of social activities, many interesting and enlightening lectures by resident and visiting engineers, and extensive tours to neighboring points of interest where the practical side of engineering was studied.

The Commercial Club was organized in 1911-12 with the purpose of bringing into closer relationship all students of commerce and furthering their interests in commercial education.

Since 1936, under the sponsorship of Miss Hulda Erath, faculty adviser, the commercial club has grown into one of the largest and most active organizations on the campus. In addition to its social activities, the club has sponsored a number of professional meetings where the members have had the privilege of hearing speakers of prominence in both the business world and field of commercial education.

All students enrolled in the Department of Business Administration are eligible for membership.

Southwestern Biology Club was founded in 1923. In 1932, the organization known as Sigma Beta Omicron was added. During all the period of its existence, the club has maintained a high standard of excellence in the reports and reviews of its programs.

The object of the Biology Club is the promotion of interest in the Biological sciences and fullest co-operation with the Southwestern and the State Academy of Sciences.

Membership of the club is composed of students who are actively interested in the science of Biology and who are willing to cooperate in the work of the club.

The Home Economics Club was formed at Southwestern in 1925. The purpose of this club is to foster a better understanding in the Home Economics department, and to give help and assistance to the members of the department.

Several projects are undertaken by the club each year. One of them is to sponsor a contest in clothes making. Another is the donation of clothing and food to the Orphanage in Lafayette.

Meetings are held twice a month. At these meetings programs of interest are presented. Talks are made on the various topics studied in Home Economics. Refreshments are served at the close of the meetings.

The Y. W. C. A. was organized on the campus to promote fellowship among its members and to direct certain social and religious activities on the campus. At each weekly meeting the club officers arrange for a speaker chosen from the faculty or from prominent persons in town. To these meetings all students of the campus are invited, and through their attendance they derive instructive information which in turn guides them to become better students.

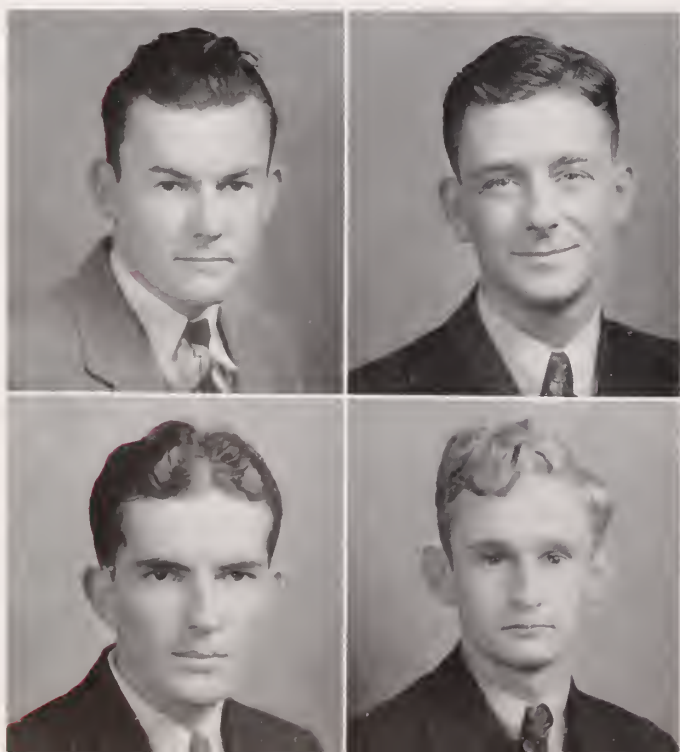

The purpose of the Y. M. C. A. on Southwestern's campus is to create, maintain and extend throughout the college the high standards of Christian living. Meeting each week affords all students the opportunity for spiritual growth and wholesome fellowship through worship and self-expression. At these meetings some student, faculty member, or prominent citizen addresses the members, brings some helpful and inspirational message. The Y. M. C. A. is one of the most democratic organizations on the campus. All creeds and classes enter into the activities, making a fine spirit of good cheer. For the benefits derived, the Southwestern men students are indebted to this splendid group of boys.

The Newman Club of Southwestern Louisiana Institute is organized to promote the intellectual, social and religious life among Catholic students here in college, and to aid, through its organization, in maintaining the high morale of Southwestern.

This religious club does much in the way of charity such as staging Christmas parties for the orphans. Added to this they sponsor socials throughout the year to encourage and promote friendship and cooperation among Catholic and non-Catholic students.

The Baptist Student Union is the connecting link between the college and the local Baptist church. It is the body of Baptist students at work in the unit organizations under the leadership of the executive body--the Baptist Student Union Council.

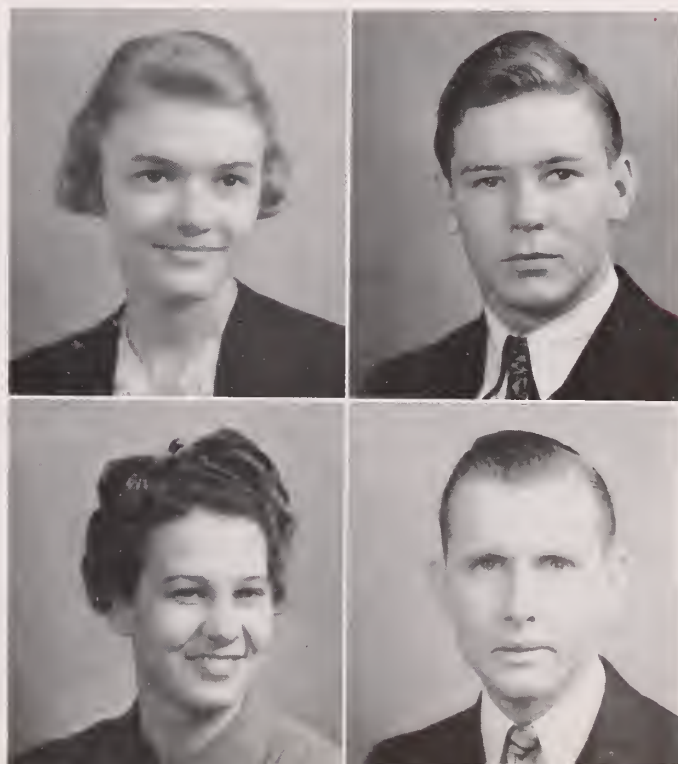

The Baptist Student Union affords an attractive program of Baptist religious work, including all Baptist students on the campus and all interest and unit organizations of the denomination which affect student life.

Membership in the Baptist Student Union comes when one joins a B. Y. P. U., a Sunday School class or a Y. W. A. of the local Baptist church. These are units of the organization known as B. S. U.

The Wesley Foundation, an organization of all students of Methodist preference enrolled at Southwestern Louisiana Institute was first organized in 1934, with Reverend Carl Barham as director and Miss Marian Agate as its first president.

During its short existence it has gained prominence in the Louisiana State Methodist Student Conference, which it entertained in Lafayette in February 1938, and has participated in National Methodist Student Conferences.

The organization offers to the student a contact with God and His church and endeavors to promote Christian fellowship on the campus.

The Presbyterian Students Organization was organized to promote fellowship among all students on the campus whether they be Presbyterians or not, and membership is open to all students, regardless of their faith. Their yearly calendar includes several social events as well as religious gatherings. This club was newly organized, but this did not retard them from becoming active and attaining the aim they desired and strove to gain.

The Morris League was organized at Southwestern in April of 1938. All Episcopal students enrolled in the college are eligible for membership.

The purpose of this organization is to foster a closer feeling of friendship between its members. Meetings are held once a week, and at these meetings, talks are presented by members of the club. Several social affairs are held each year by the club.

The league has undertaken the project of raising funds for the construction of an Episcopal Student Center which will be named the James Craik Morris House, in honor of Bishop Morris.

The Girls' Club is an organization composed of off-campus girls, that is, town girls and commuters, and sponsored by Miss Edwards and Mrs. Barnett. In spite of the fact that the Girls' Club is one of the newest on the campus, it is the largest women's organization, and has made a remarkable record of progress. About two hundred active members meet twice a month in the Girls' Club Room for their regular meeting and party. The girls also use their club rooms as living quarters between classes. There, they also receive assistance provided in case of emergency or illness.

The foundation of the Women's Student Association is honor. Every woman student by her matriculation in the Southwestern Louisiana Institute pledges herself to obey the rules of this organization and uphold the standards of the college. This association has a four-fold purpose: to further the best interests of women students of Southwestern Louisiana Institute in cooperation with college authorities; to promote personal responsibility and a high sense of honor among the women students; to promote loyalty to the college and to uphold high social and academic standards among the women students; and to send delegates to National Conventions.

The Men's Student Government Association comprises all men students on the campus. Its purposes are to bring the men students into close contact for the common good of the college and sponsor Intramural Athletics among men students enrolled at Southwestern. Through the aid and directorship of Coach J. C. Reinhardt much interest has been aroused in the competition among the non-intercollegiate athletic students in sports such as Touch Football, Basketball, Track and Boxing. To a member of a winning team, there is presented at the end of the year, a medal, and to the team amassing the greatest number of total points goes a large plaque.

Southwestern not only provides for her girls intellectually and socially, but also provides for their physical development.

The purpose of the Women's Athletic Association is to promote wholesome relations in athletics among girls and to encourage co-recreational games which may be participated in by girls and boys. Colonial Ball is given annually early in the second semester for all girls on the campus. The beautiful costumes, good orchestra music, special feature dance and general colonial atmosphere are especially memorable.

As a means of recreation and education the Dramatic Club offers the dramatically-minded student the opportunity to participate in one major production each year. It also produces a number of one act plays and several radio skits.

The production of Barrie's "The Admirable Crichton" last year was one of the splendid pieces of entertainment offered by the club.

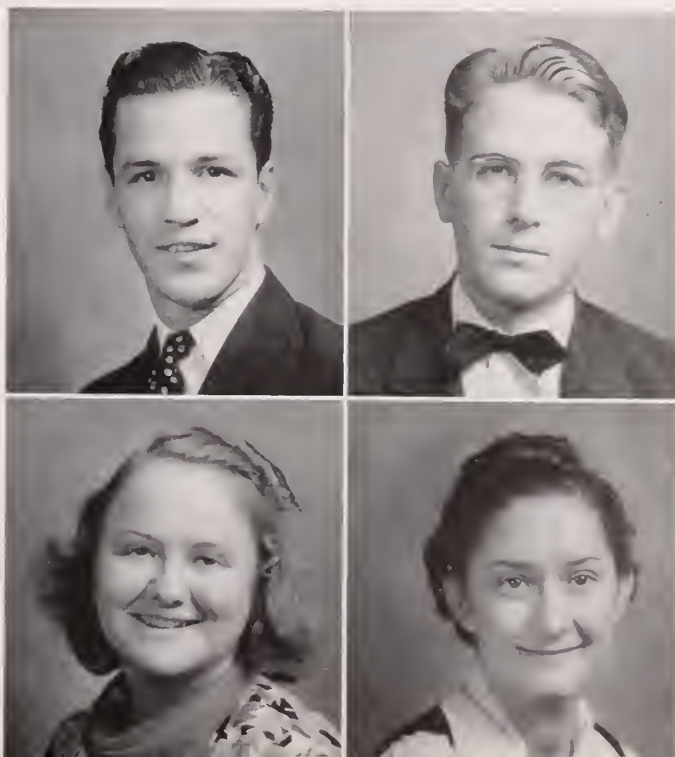

This year's "Arms and the Man" took its place as the outstanding production.

It is representative of the student body in its entirety because it has no religious, scholastic or special restrictions which keep desirous students from being members.

It is one of the most important organizations of the school because of the educational and social value. Its members have enjoyed many delightful programs and entertainments this year.

The Board of Publications was organized at Southwestern to control and supervise the two student publications, namely the Vermilion and L'Acadien.

This board is composed of five members, appointed by the President of the Student Body, and approved by the President of Southwestern Louisiana Institute. The Chairman is elected at the first meeting of the year.

The other duties of the Board besides supervising the two student publications, are the selection of the editor and business manager of the Vermilion and L'Acadien at the end of the spring semester each year.

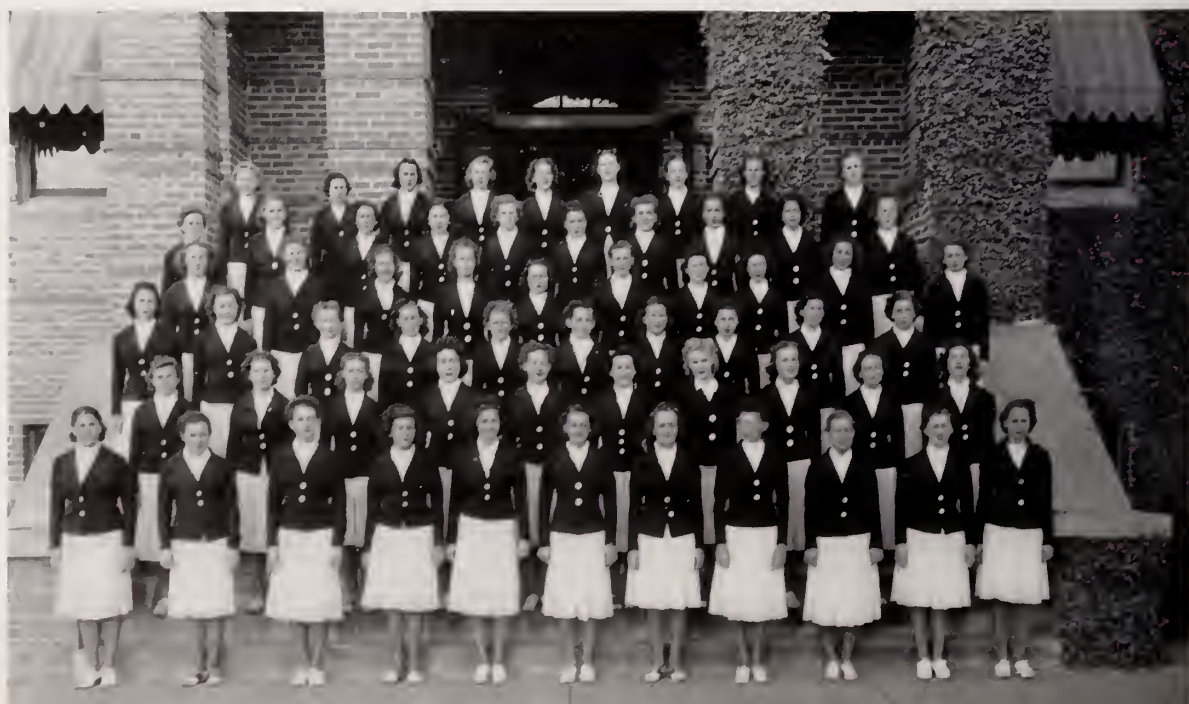

The Standard membership in the "Red Jackets" is a total of sixty-six. All members are elected from the Sophomore, Freshman and Junior classes by the active members of the organization. The election and initiation is in April. The names of the girls are brought up and discussed before the members, at a time designated by the president. An informal election is held, after a period of time, final voting takes place and bids are issued to the girls.

This organization was organized in September 1937, under the leadership of its present adviser, Miss Miriam Callender. This year, with the help of Professor Voorhies and Miss Callender, it has gone far. The organization has become more compact, formal and has put on a better show at the athletic events.

The Orchestra is an organization for the student who is interested in music, and wishes to acquire skill on his instrument and obtain some knowledge of the other instruments. The Orchestra plays an important part in the activities of the school. It is always ready to furnish music for any occasion. Any school entertainment without it would be a failure.

Never will the students forget the splendid music which they furnished at the Christmas program of the past year. It was amazing to see their great development in such a limited practicing time. Since its organization, much progress has been made, and today it is an orchestra that any college could be proud of.

The Southwestern Girls' Glee Club under the direction of Mrs. Eloi Girard is one of the outstanding musical organizations on the campus. Members are selected from the student body at the beginning of each year. The Glee Club presents several programs each year and receives much favorable comment on them.

The major program to be presented each year is the annual Christmas program presented by the music department in connection with the Glee Club.

The Glee Club is also noted for its annual Christmas Carol program. It is presented each year at the Lafayette orphanage. After the program at the orphanage, the club has their annual Christmas party.

For a band to have a good appearance, it is essential that the leaders pave the way. And that is what Southwestern's Drum Majors have succeeded in doing for the past school term of 1938-39. In New Orleans, Mobile, Alexandria, or any of the various places that the Southwestern band participated they were led with the excellent services of their leaders. They did not attain this perfection without effort, but through constant practice. Regularly under the directorship of Professor Howard Voorhies, they drilled over and over the performances which they were to enact at their next appearance before the students. We are proud of these students and may Southwestern Louisiana Institute enroll more of their caliber in years to come.

The Boys' Band, under the direction of Professor Howard C. Voorhies, is one of the outstanding college bands of the state. The great showing made by them this year at the many athletic events has shown what a college band can do, and the students and patrons of the school are justly proud of it. At the present time there are eighty-six members in the band, from every part of the state. The school has secured a new band wagon this year for the transportation of the instruments, and it is planned to secure a bus for the transportation of the members in the near future.

Cheerleading at Southwestern has reached a higher standard during the last several years with the selection of cheerleaders from competition and with the rising school spirit. The attitude and expression of the entire crowd at any athletic event depends on the influence of its cheering captains. With James Fehlman as head Varsity Cheerleader, aided by two capable junior girls and two freshman boys, sportsmanship reached an even higher level at Southwestern sports events during the 1938-39 school year.

The girls' band is always ready to offer its services at the various events given by the college. They play to put the touch of "finesse" on the sports events.

They have taken trips during the football season to Mobile, Alabama and Alexandria, Louisiana. The applause of the crowd proved their popularity.

In one year the organization has become an institution that is cherished by students, alumni and admirers of Southwestern.

FOOTBALL

COACH JOHN CAIN

Possibly no other man came to Southwestern at a time as critical from an athletic point of view as did John Cain, who took charge of Southwestern's football team in the Spring of 1937. Cain is a tireless worker, and therein lies one of the secrets of his success at the University of Alabama before he came to Southwestern and his ultimate success here. He is the kind of man one naturally respects, because there is something behind that smiling, honest face. Cain is a good coach, and he is a man.

COACH GEORGE MITCHELL

Assistant Coach George Mitchell is a graduate of Louisiana State University, where he was a four-year letter man in football. Mitchell is a man who always finds time to discuss any problem brought to him by the men of the student body and he is loved and respected by all those who know him. He is a gentleman—a builder of men of strong character—and we, the Student Body, feel it an honor to have him at our college.

THE 1938 FOOTBALL

SOUTHWESTERN 8; SOUTHEASTERN 0

Johnny Cain's Southwestern Bulldogs raised the curtain on the 1938 football season Friday, September 16, in Hammond with a sparkling 8-0 victory over the Southeastern Greenies. Some 2,000 people assembled in the beautiful Strawberry Stadium watched the Bulldogs take their rivals. Among the spectators were Governor and Mrs. Richard W. Leche and President L. E. Frazar of Southwestern.

The Bulldogs took a 2-0 lead when Didier blocked a punt on Southeastern's eight-yard line and the ball bounced into the end zone to give the Bulldogs a lead. They held to this scant margin until the third period when Didier's old teammate from Catholic High, Milton Patin, took the ball on an end-around-end play to put the ball on Southeastern's 11-yard stripe. Joe Rodgers was rushed into the contest at full-back position. Rodgers took the ball to the one-yard mark and in two plays pushed the ball over for a touchdown. The try for an extra point failed.

On the first play of the second quarter, Didier intercepted a pass which pulled the Bulldogs out of a tight spot and from then on they didn't give Southeastern another real opportunity to score.

SEASON

SOUTHWESTERN 19; MISSISSIPPI DELTA 0

Before one of the largest crowds ever to witness an opening game at Southwestern the S. L. I. Bulldog gridgers ran roughshod over the Mississippi Delta Teachers of Cleveland on Friday, September 23.

Before the contest, a gigantic street parade was held beginning an hour before the game, in which the 80-piece band of Southwestern led, followed by members of the Young Men's Business Club, sponsors of the parade.

For the first quarter, the Mississippians and the Bulldogs engaged in a kicking duel out of which neither team could manage to get near the opponent's goal line. Early in the second quarter Abel caught a punt

in mid-field and ran through left tackle for 25 yards. Bourgeois made 4 yards and Abel on a spinner made a first down on Mississippi's 12-yard stripe. Abel then skirted left end for a touchdown. Bourgeois' placement was void. Later in the same period, Montgomery made eight yards after receiving a punt, and Patin, Bulldog right end, on an end-around-end, went over for a touchdown.

In the third quarter, Abel, Montgomery and Rodgers carried the ball down the field which ended with Rodgers going over left tackle for a touchdown. Bell converted for the extra point.

SOUTHWESTERN 7; STEPHEN F. AUSTIN 0

The Southwestern Bulldogs added their third win to their season victories by defeating the strong Stephen F. Austin Lumberjacks at Nacogdoches, Texas, by a score of 7-0.

The Bulldogs scored their lone tally in the opening period when they took the ball on their own 45-yard line and on a sustained drive carried the ball down to their opponent's one-foot line. From this point, Bourgeois, in a direct plunge over the center of the line scored the touchdown. Montgomery's accurate toe hoisted the ball between the uprights for the extra point.

The Texas team's only threat bogged down in the second period when Bass intercepted a pass thrown by Roquemore, the Lumberjack's backfield ace.

On their arrival from Texas, the Bulldogs were met by a large group

SOUTHWESTERN 14; SAM HOUSTON 0

A large crowd of 4,000 turned out to see if Southwestern would or would not keep their goal line uncrossed. In this contest, the Bulldogs again proved to be worthy of their record. Sidney Ducharme, Bill Stevenson, Otis Hurst, and Bill Bass were great in a defensive way throughout the tilt as they had been in previous games, and much credit must be given them for S. L. I. having an un-crossed goal line.

Southwestern tallied late in the first quarter when Sam Houston kicked to Montgomery on the Bulldog's 20-yard stripe. On the next play Montgomery skirted his right end for 37 yards and then heaved a long pass to Abel for 38 yards. Then Didier scampered around right end for 20 yards and a touchdown. Bourgeois kicked the extra point.

Again in the latter part of the second half the Bulldogs tallied when Adkins, after receiving a Sam Houston punt on the 45-yard marker, dodged and hipped his way through the Texas team to bring the ball up to the six-yard line. In two plays Abel brought the ball to the one-yard stripe where Rodgers plunged over for the Bulldog's second score. Adkins kicked the extra point.

SOUTHWESTERN 33; SPRING HILL 7

At this time of the season, the Southwestern Students had become football-minded and much to the gratitude of President Frazar, a special train was provided to carry students to Mobile. Two hundred and twenty students, including the band and Red Jackets went to Alabama. Enroute to mobile the train stopped in New Orleans and the boosters, the band and the Red Jackets, staged a parade down Canal Street.

The Bulldogs' first score came in the first quarter when Bill Bass, Bulldog center, blocked a Badger punt, scooped up the ball and raced across the goal line for the tally. Ashton Bourgeois made the extra point. A surprise lateral conceived on the spurt of the moment by the alert Dixie Bell, veteran end, accounted for the second Bulldog tally. Adkins heaved a long pass to Bell who tossed the ball to John Houser and Houser went across the goal line untouched. Adkins missed the extra point. Abel accounted for the third score with a long end run to the left side of the line and crossed the goal standing up. Wilson Montgomery booted the ball for the extra point. Ashton Bourgeois scored the fourth touchdown from the one-yard line after a series of long runs and penalty placed the ball on the goal line. Rodgers missed the point after touchdown. The Bulldogs scored one more on a sweeping end run which netted 23 yards and a score.

Southwestern Louisiana Institute Bulldogs marched on to greater glory when they added Millsaps Majors of Jackson, Mississippi, to their list of victims. In this game Southwestern's tallies came in the third and fourth periods following a hard fought but scoreless first half.

Patin, on an end-around-end, made a first down on the 25-yard line. Montgomery and Abel made a first down on line attacks. "Tinker" Wyble carried the ball over from the one-yard line. Montgomery's try for conversion was not good. In the fourth quarter, Jim Vic Russell, Bulldog guard, intercepted Samuel's pass on Millsaps' 40-yard line. Rodgers and Adkins made eight and a penalty placed the ball on the Millsaps one-yard line. Joe Rodgers plunged through center for a touchdown. Dixie Bell's placement was good.

SOUTHWESTERN 7; LOUISIANA COLLEGE 7

As is the yearly case in this traditional rival contest, all statistics go for naught when the Bulldogs and the Wildcats tangle. This game was no exception. The Wildcats, greatly out-weighting the Bulldogs were keyed up for the contest, and the fact that no score was forthcoming until the final quarter, indicated the ferocity and determination of both grid elevens. The Wildcats took the lead when Vic Barber went over from the four-yard line midway of the last period, but this only seemed to put life in the Bulldog players. Southwestern's tally came immediately afterwards. Between Abel and Mont-

gomery, the ball was marched down the field to the 21-yard line where Montgomery took it over for the score. To end up a great game Montgomery did a steel-nerve trick when he kicked the extra point with one minute left to play to tie the score.

SOUTHWESTERN 27; LOUISIANA TECH 7

Before a capacity crowd on Homecoming Day, the Bulldogs playing an alert game and displaying great offensive power defeated the Louisiana Tech Bulldogs of Ruston by the score of 27-7. Much celebration took place at the half, featured by the crowning of the Homecoming Queen, Dorothy Franques, by President L. E. Frazar, who is an alumnus of the college.

Early in the first quarter, Abel caught a pass thrown by Montgomery and ran over the goal line for the first marker. In the second period, Hinkel hurled a pass which was intercepted by Bill Bass, Southwestern's center, who ran 35 yards for a touchdown. In the third stanza, Abel circled left end to make the score 21-7. The last score came when Montgomery shot a bullet pass to Mortimer Wyble standing over the goal line. Louisiana Tech's lone score came in the fourth quarter, after Coach Cain had run in his reserve players. Whitman carried the ball down the field on line drives, and Basco went over the goal on a quarterback sneak.

them 15-6. The Teachers due to a bad S. L. I. punt to its own 25-yard line in the second quarter, worked the ball to the one-yard stripe and Smith scored and converted the extra point. Southwestern came right back fighting hard with Abel and Adkins gaining through the line. Then a pass, Adkins to Didier, was good for seventeen yards to the Teachers' two-yard line. Rodgers plunged through the line for a touchdown, but Adkins' try for point was bad.

In the fourth stanza, the Teachers marched 44 yards to the five and Walton plunged over. Scott's placement was bad. With only a minute left to play Adkins was thrown behind his goal line for a safety making the score 15-6.

SOUTHWESTERN 0; LOUISIANA STATE UNIVERSITY 32

Louisiana State's big and husky Tigers won over Southwestern's scrappy but smaller Bulldogs by the score of 32-0. The game was witnessed by an estimated crowd of 10,000. The Bayou Tigers scored two touchdowns in the first period, one in the second and two more in the fourth. Southwestern "took charge" in the third quarter and threatened constantly, finally losing the ball on downs on the Tiger six-yard line after a red-shirted end had dropped a "touchdown pass" from Wilson Montgomery. "Coach Cain has a mighty fine team—the best Southwestern squad I ever saw," commented Coach Moore of L. S. U. after the contest. In this game Montgomery proved to be a dangerous passer, and Abel showed that he was not a bit over-

rated. Outstanding in Southwestern's line were Guard Bill Stevenson, Tackle Ducharme, and End Ray Didier. Stevenson made life miserable for the L. S. U. back during the time he was in the game, both on scrimmage and taking back kicks.

SOUTHWESTERN 7: NORMAL 0

Five thousand fans braved the cold weather and a piercing north wind to see Coach Johnny Cain's men defeat Normal in the annual tussle for the first time since 1934. Glynn Abel of Grenada, Mississippi, climaxed a brilliant gridiron career at Southwestern by dashing 20 yards for a touchdown that gave a victory over Louisiana Normal Demons and with it the "Little Four" Conference title of the state. Grabbing a 13-yard pass from Wilson Montgomery in the third quarter, Abel got free for a run that marked the only touchdown in the game. Montgomery's placekick made the count 7-0, which proved to be the final score. In this game we saw the final appearance of eight players under the Southwestern colors, including Vernon Bell, Harlan Willey, Bill Stevenson, Jim Russell, Barney Foreman, Baxter Summers, Ashton Bourgeois and Glynn Abel.

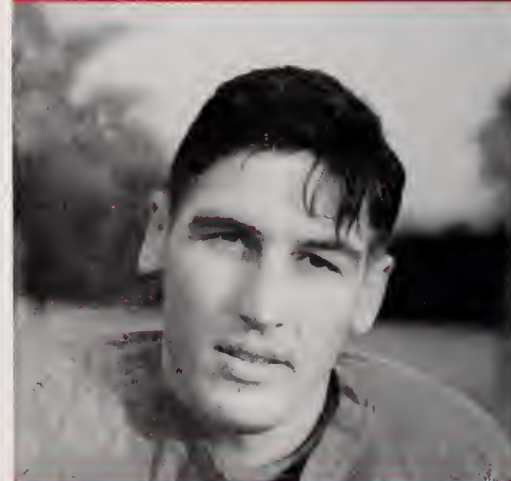

The contest closed the football season for Southwestern, which proved to be the most successful that it has enjoyed in recent years. Much credit must be given Head Coach Cain, Assistant Coach Mitchell, and Trainer Reinhardt for their splendid coaching, care, and direction of the team.

In the spring of 1937, Coach Cain saw that there was something lacking in the way of organization among the lettermen of Southwestern Louisiana Institute. He immediately began work on the formation of an "S" Club, composed of all men who had letters and that are enrolled at college. It has succeeded in securing a better contact with the present lettermen and those who have finished college, a prime purpose of the club.

In the fall of each year, the "S" Club sponsors the annual Homecoming Dance to which all former lettermen of Southwestern are invited to attend. This dance follows immediately after the game and is a splendid opportunity for the grads to meet the participating athletes.

After the completion of the new Earl K. Long Gymnasium, the "S" Club was provided with a room in which to hold their meetings, and to be used as an informal gathering place. This has done much to foster greater unity among the members.

BASKETBALL

THE BAS

COACH J. C. REINHARDT

In 1931, Coach "Dutch" Reinhardt, who had won "All-American" fame at Iowa State, came to Southwestern and introduced a new Mid-Western style of basketball. Under Reinhardt's able tutelage the teams soon caught some of his desire and enthusiasm, and each year the team was better than the previous one. Clean, fighting aggressiveness is the quality that Reinhardt teaches his men, but with it they learn sportsmanship.

SOUTHWESTERN TIES FOR "LITTLE FOUR" CHAMPIONSHIP

Coach J. C. "Dutch" Reinhardt's quintet played 17 games, winning 11 and losing six. The team's point total for the season was 597 while their opponents tallied 556. This season Carl "Too Tall" Hurst, sophomore, set an all-time college record scoring 215 points in the 17 games that he played. Much credit must be given him for his splendid playing both on offense and defense. Andrus Martinez, senior, played brilliant ball, to co-star with Carl in every game. These two players proved to be the backbone of the team throughout the year, with the other positions being filled at various times with different players. At the first of the season, Leigh Stewart, Otis Hurst, and Diamond Young coupled with the above named did great work in winning over the early rivals. Loyola fell before Southwestern in their first game by the score of 60-36. In this game, the Bulldogs showed a pair of forwards in Leigh Stewart and Otis Hurst that had a dead eye for the basket. They hung up 28 points between them. Carl Hurst sent in six fielders and three free throws to lead all of the players with 16 points in this game.

Then Coach Reinhardt took his basketballers through Mississippi for a week's trip. In the first game, Southwestern lost to the fast-breaking Mississippi College five, who went to the finals in the Dixie Conference, by the score of 47-39. The next night, they met and defeated the Millsaps College team by the score of 31-26, after trailing all but the last five minutes of the contest. James Bergeaux came in the game in the last few minutes and proved to be the winning spark, dropping in five points. The two following nights, the Bulldogs took on Mississippi State Teachers and defeated them both nights by 34-32 and 36-26 scores respectively.

DIAMOND YOUNG

ANDRUS MARTINEZ

KETBALL SEASON

At the first home game of the season, which also was the first athletic contest held in the new \$170,000 Earl K. Long Gymnasium, over 2,200 fans were present. The Delta State Teachers College team were off to a fast start and assumed an early lead over the slow starting Bulldogs. By the time the halfway mark was reached, the visitors had piled up a 23-9 advantage which Southwestern was never able to overcome and the game ended with the score being 41-18.

When Loyola came to Lafayette for a return game on January 16th, Southwestern lost no time in getting started for before the game was ten minutes old, Carl and Otis Hurst had bagged enough points to give the Bulldogs a 15-2 lead. The score ended in a 39-18 victory for the S. L. I. cagers. The work of Diamond "Shine" Young was an outstanding feature of the game. Young was all over the floor, always in the ball game and leading his teammates to victory.

Alabama Teachers from Jacksonville, Alabama, were next to invade Lafayette to play the Bulldogs and emerged with a 40-39 victory. Southwestern started off strong but the Teachers gradually tightened up on the local team and before the game was up, "Pop" Bailey bagged four field goals and seven free tries to lead his team to victory.

On January 30th, the Southwestern cagers left to play Louisiana Tech and Louisiana Normal. In the first game with Tech, the Bulldogs lost by the score of 38-36, partly due to the fact that Hurst and Bergeaux were ejected from the game on four personal fouls each. With the players tired from the hard game the night before, they did not show up so well against Normal, which probably was the leading factor in the team's chance to get an invitation to the S. I. A. A. Tournament. The final score was 50-30.

On their return home, their first game was with Louisiana College from Pineville. Otis Hurst led Coach Reinhardt's team with 16 points as they won over the Wildcats by the score of 26-17. He and "Shine" Young were outstanding in this contest.

In a nip and tuck game, the Mississippi Teachers cagers scored a thrilling 33-30 win over the Southwestern Bulldog basketballers after having been previously defeated twice on their own court by the Bulldogs. S. L. I.'s failure to take advantage of the free tosses resulted in their loss, as they missed an even dozen free throws. Carl Hurst was the high point man of the tilt with 12 points, but Andrus Martinez showed great form in holding the Teacher's ace, Carley, down to five points.

An inspired, scrapping squad of Bulldogs rose to their heights to defeat a highly praised, heavily favored Centenary Gentlemen quint by a score of 33-32. Starting a completely rejuvenated "5," Coach produced a smooth working, deadly shooting aggregation. The Bulldogs led by Leigh Stewart and Pete Sanders, who had been used little before this game, assumed an early lead and maintained it throughout the game.

Next to invade the Bulldog camp was Springhill of Mobile, Alabama, who fell before the superior Bulldogs by the score of 45-21. As usual, Carl Hurst topped the scoring spotlight with a total of 13 points while Pete Sanders, playing another swell game, tallied 10 points which rated him second best in the scoring for the night. McMillan proved to the players, coach, and fans that he was not a bit over-rated. He played a great defensive game, and proved to be the important floor man in the smooth working team.

Louisiana Normal did not have enough to stop this combination for they fell before the Bulldogs by a 40-38 score. Carl Hurst was all over the court, intercepting

B A L L

passes, breaking up shots, and his performance is easily rated as his best of his short and colorful cage career. Ernest McMillan and Andrus Martinez did much toward keeping the Demons from getting "crip" shots. Martinez, especially, did well in holding Jackson of Normal down to three points, a feat never to be forgotten.

On their last road trip the Bulldogs defeated Louisiana College in Pineville by the score of 51-32. All of the players that made the trip saw service, with DEMP Young showing up well.

Filled with the desire to win, the Bulldogs went in training for their last game with Louisiana Tech, who had defeated them previously in Ruston. They proved to have the ability to fulfill their desire and defeated the Ruston Bulldogs. Thus, S. L. I.'s basketeers closed their season in a blaze of glory by a 43-34 victory in a thrilling cage tilt witnessed by over 2000 people. Aside from the early moments of the second period, Reinhardt's hoopsters had the best of the ball game and won drawing away. Carl Hurst, sophomore sensation, continued his amazing point-making as he bucketed a total of 22 points to take high scoring honors of the night. In reviewing the season, one cannot say that it was anything but successful, even though, at times the players did seem to grow tired, they never failed to come back stronger. The five game winning streak at the last of the season over highly rated teams proved their true worth. Next year seems brighter than ever. It is to be admitted that Leigh Stewart, Diamond Young, Andrus Martinez and Aubrey Bacon will not be back, but from the freshman squad comes some very good players. These, added to a seasoned varsity squad, should carry Southwestern very far in basketball.

FRESHMAN BASKETBALL

Coach J. C. Reinhardt had the Freshman team which he has been wanting since he has been mentor of the Varsity here. These players, coming from this state and others, gave good account of themselves by winning the ten games on their schedule without a set-back. On the squad were players as Reed, Delavon, Wisconsin, who scored 76 points; Close, Chicago, Illinois, who scored 29 points and did great work in ball-handling; Hanchey, Dry Creek, who scored 48 points even though he played very little in each contest; LaBauve, Baton Rouge, who scored 97 points as a regular forward; Breen, New Orleans, who scored 19 points besides showing himself as the most consistent guard on the squad; and Duncan, Alexandria, who scored 17 points in the eight games. Others as Sloane, Smith, Baggett and Schaaf saw much service. Any varsity team would be pleased to get these excellent ball players. They are expected to boost basketball to new heights in the coming season.

BOXING

THE 1939

COACH GEORGE MITCHELL

In 1936, when the Athletic Department of Southwestern saw fit to sponsor a boxing team, Coach Mitchell was chosen even though he had never participated in this sport while in college, and neither had he ever coached it before. At first, many doubted his ability for the new position, but now that he has enjoyed three successful seasons, no one has any regrets.

SOUTHWESTERN 4½; LOYOLA 3½

A glance over the annals reveals fully the record of the Bulldog boxers through a dwarftly but tough slate of rivals. Only six battles were available for the Bulldogs but what matches they turned out to be. Unofficially, about 23,500 fight fans turned out to see the mighty athletes in action with 7,000 at Baton Rouge for the L. S. U. fight and 5,200 here for the return engagement topping all others. The first fight took place in New Orleans against the strong Loyola team which ended in a score of 3½ to 4½ in favor of Southwestern. When it came for the last fight Bernie Davies knew that he had to defeat Paul McDonald of the Wolves to give Southwestern a majority of the points. Until the opening of the third round, it seemed that he would not be able to fulfill this aim, but at this time "Sailor" came through and with a hard right floored McDonald for the count giving victory to his team. Ben Fontenot showed surprising and unexpected skill in completely dominating his bout with an excellent display of speed and punching power. Pardue had only small difficulty in winning from Walsh. Carlo Listi met with a southpaw for the first time and due to this unorthodox style he could only get a draw. Willey dropped his man at the close of the second round with a series of rights and left hooks.

SOUTHWESTERN 7; CENTENARY 1

In this encounter the Gentlemen from Shreveport were no match for the superior Bulldog fighters. In the seven fights Southwestern lost only one, which was the 155-pound class. Bill Bass who had just recovered from an attack of influenza lost a decision to the up-state slugger. The fight was close but the third round proved to be the deciding period.

WILSON LANDRY

Thurman Pardue, Bulldog lightweight star, won a decisive victory over Richard Bond. This was one of the most interesting fights of the evening. In the opening rounds, both fighters fought to a draw, but after this it seemed as if Pardue had the edge over Bond of the Gents. In the opening scheduled fight of the evening, Ben Fontenot, won over Tumminello of the Gentlemen. This made the second consecutive victory for the Bulldog's featherweight this year.

In the final scheduled fight, Wilson Landry, Southwestern's Middleweight star, won an easy victory over his opponent, F. M. May of the Gents.

SOUTHWESTERN 5; LOYOLA 3

Classy Sewele Whitney of Loyola sent the visitors off to a flying start with a flashy third round knock out over S.L.I.'s Gaston Mes-tayer in the first bout. Ben Fontenot met up against a stubborn Francis Walsh of Loyola in the 127-pound class, but after three hard

fighters well played out at the end. The tall Loyola boy fought a cautious fight this time and though Bernie rocked him several times with left and rights to the head he was still there when the final gong ended the fight.

SOUTHWESTERN 3; L. S. U. 5

rounds, came through with a clean cut win. Though the Loyola boy was game, Fontenot was the superior fighter and won his fight handily. Pardue used speed and tact to down Kelly for the count in the third round after winning the first two rounds with ease. Pat D'Auria had a tough customer in Ray Condon of Loyola in the 145-pound battle, but the little Bulldog came through in fine style to cop a decision which gave the Bulldogs the lead. Davies outpointed Paul McDonald in a lumbering three-round affair which found both

In the first fight of the match Mestayer fought a great fight to get a draw from L. S. U.'s scrappy A. Michael. In the featherweight encounter, Ben Fontenot gave a good account of himself even though the decision of the fight went to Bohrer of L. S. U. D'Auria and Harmon went at a fast pace for two rounds in which D'Auria showed to be the better, but in the third round Harmon had the advantage and the fight was given as a draw. Willey scored decisively over the Tiger's previously undefeated sophomore, Jack Still. In the final contest, the giant Davies opened up fast against L. S. U.'s Rene Trouchesset, and in the first exchange cracked the Bengal veteran with a nasty

right to the head. Trouchesset tugged on to Davies and tried to score a telling punch of his own, but the big red-shirt shoved him off and tagged him again in rapid succession with hammer-like punches, the final right clipping cleanly on the jaw and dropping him.

SOUTHWESTERN 1½; L. S. U. 6½

In the third bout of the evening, after Al Michael had bested Gaston Mestayer in the opener following the Domingue-Fontenot draw, Thurman Pardue, fighting very much in the same style he employed in the Loyola card, subdued Snyder Parham of the Bengals. Pardue didn't give him a chance to get going and clearly won two of the three rounds with one considered a draw. This was the first fight ever to be lost by Parham in over 200 contests, and much credit must be given Thurman for his splendid showing. In the remaining fights, the Southwestern boxers did not come up to expectations and L. S. U. Tigers won easily.

SOUTHWESTERN 5½; CENTENARY 2½

Displaying more speed and power in their punches than any others on the card, Pardue and Bond fought three hard rounds to a draw in the main event. Both showed willingness to mix, and traded punches freely. Willey picked up his third knockout of the season by flooring Rhodes of Centenary in quick time. The other three points of the Bulldogs were made via the forfeit route, because Centenary was unable to have contestants in the special weights.

SOUTHWESTERN FRESHMEN 6½; L. S. U. 1½

A classy, aggressive and well conditioned squad of Southwestern Freshman boxers turned in a scintillating 6½ to 1½ dual meet victory over the Louisiana State University Frosh in the lone meet this year. The Bullpups' only loss came via a forfeit in the 155-pound class, and the draw resulted in the 165-pound division when F. Smith of the visitors and Dean Harrell of the Pups staged a three-round deadlock. The program got off to a sensational start when Don Harper of the locals and Max Gianelloni of the L. S. U. Frosh staged a rollicking curtain raiser in the 120-pound class. Gianelloni was a tough fighter, however, and gave Harper a fight all the way. Harper closed stronger than was expected and his victory was a clean-cut one. Drew Landry staged a garrison finish to get the decision over J. B. Allain of L. S. U. in the 127-pound class. Harry Deal trimmed L. Driscoll of the Tiger Frosh in the third fight of the evening. W. Conques, a slugging sensation, literally pummelled L. Sumrall to gain a decision which ran the Southwestern score to four to nothing. The first K. O. of the match took place in the lightheavy class when Red Nibert scored a technical knockout over Sam Elfort in the third round. Lou Campbell, classy looking Bullpup heavyweight made short work of H. Futral in the closing match of the evening.

The Freshmen proved in these fights that they would be strong contenders for fighting berths on the varsity next season. Coach Mitchell looked upon this group of boys with pride and has full reason to do so. They have showed themselves worthy.

TRACK

COACH ROBERT L. BROWNE

Coach Browne has not only identified himself as Director of Athletics, during his sojourn at Southwestern, but has also combined the numerous duties of this position with those of Track Coach. Coach Browne is deserving of commendation for his development of Southwestern's Track Team, and may they continue to predominate the Southern Inter-Collegiate Athletic Association.

TRACK

SOUTHWESTERN RELAYS

Ten Relay Carnival records fell by the wayside and one new mark was established as the 12th renewal of the great track event featured five hundred thin clad athletes from the leading universities, colleges and high schools of Louisiana and Texas.

The season's premier track show witnessed the crashing of six old marks in the high school section, two in the college and university divisions and two relay times in the high school group. The powerful L. S. U. quartet sprinted to a sensational record in the sprint medley relay which was run for the first time in the Relay Carnival.

Southwestern's only winner came in the broad jump as Harold Walker, tanned trackster, leaped 23 feet, 4½ inches to come near the record of J. Y. Duncan, formerly of Southwestern.

S. L. I. WINS TRIANGULAR MEET

Coach "Bob" Browne's S. L. I. Bulldogs displayed strength exceeding all expectations to trounce Loyola University and Louisiana College in a one-sided triangular meet. The Bulldogs amassed eight first places to bring its total scoring to 83 points while Louisiana College placed a poor second by nosing out Loyola 37 to 34.

Fast running time was recorded during the meet despite the handicap of a wet track, slowed up very much by recent heavy rains. The outstanding event in the field was the 12 feet 4 inches done in the pole vault by Ivan Baker, who only last year was picked out of the Intra-mural competition.

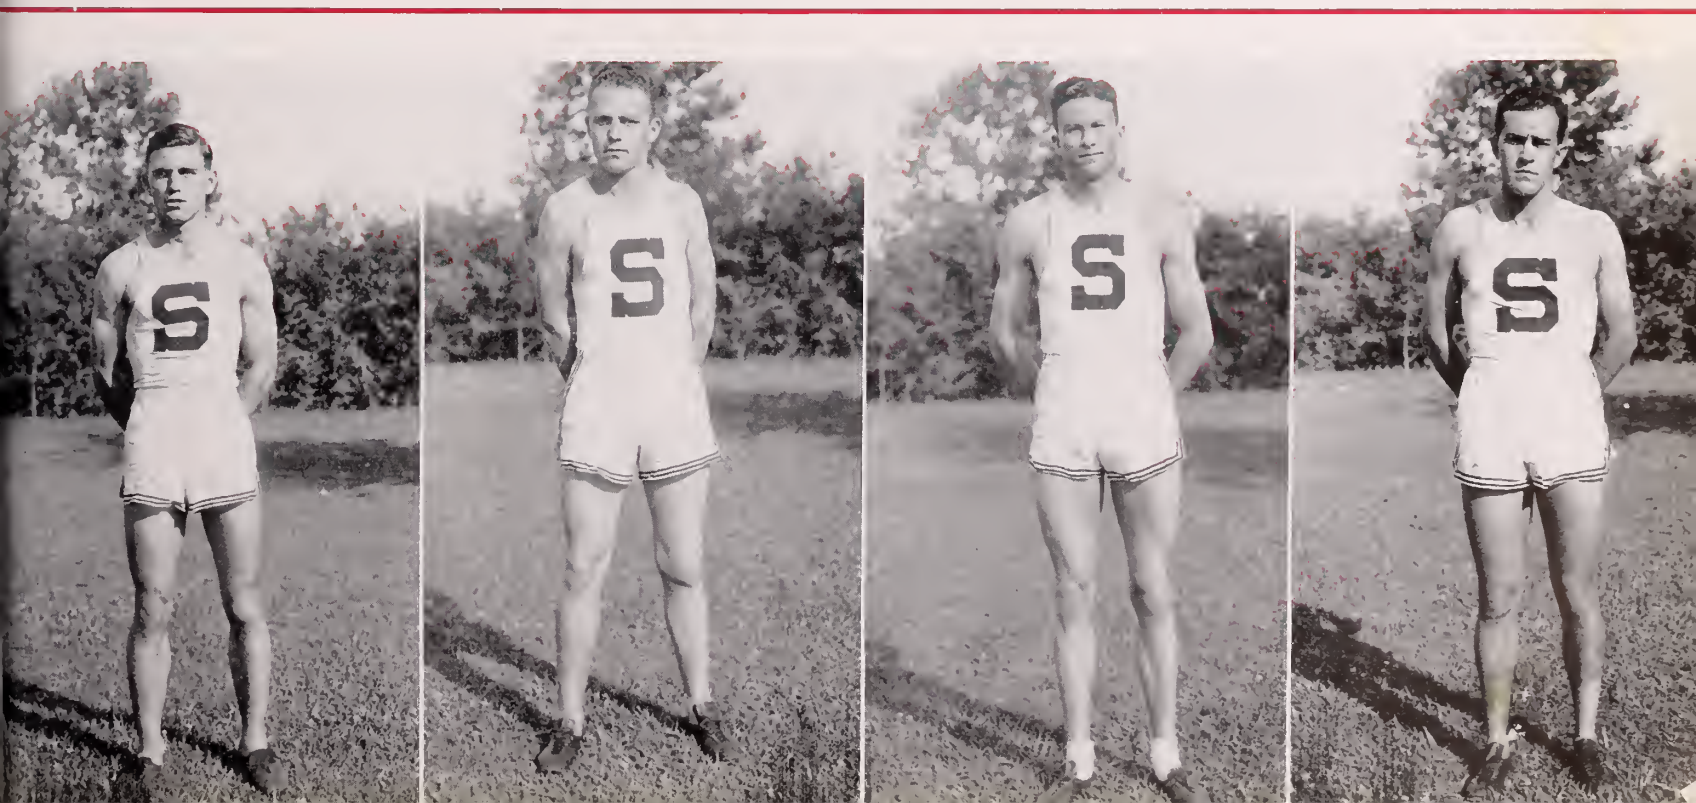

Harold Walker—star of the Bulldogs—was high point man of the meet. Walker picked up first places in the broad jump and high jump and placed second in the high hurdles, for a total of thirteen points.

Of the visitors, three men were outstanding. Gian-grosse of Loyola ran a great half mile in 1 minute 58.3 seconds. Liska of Loyola with 22.2 in the 220 dash, and Aguillard of Louisiana College with a ten flat hundred.

NORMAL DEFEATS BULLDOG TRACKSTERS

For the first time since 1933, Coach Harry Turpin's Louisiana Normal tracksters defeated the S. L. I. Bulldogs in a dual cinderpath meet. The meet was close and exciting with the final score 66-51.

The Demons concentrated their power in the field events, capturing all except one event on the turf. In the individual role, Tarlton Daigle took both hurdle events to lead the Bulldogs in scoring. Harold Walker won first in the broad jump with a leap of 22 feet 4 inches and placed runner-up in the high jump. Irvin Stirling came out a close second in the highlight race of the meet. He was inched out by Williamson in a 1:59 half-mile.

After four years of consecutive victories, Coach "Bob" Browne's S. L. I. Bulldogs met their defeat at the hands of the Louisiana State Normal Demons in the annual track and field championship meet of the S. I. A. A. held at Pineville, May 7th.

The Bulldog tracksters from Southwestern were unable to cope with the powerful, well-balanced, and perfectly conditioned team from Normal. It was a great meet and Southwestern gave promise of having an exceptionally powerful team next season, but they were forced, for this season at least, to relinquish their claim to the S. I. A. A. title. As usual, Walker, Daigle, Martinez, Stirling and Stelly bore the brunt of the attack. "Moose" Thompson tied for first in the pole vault. Abel, Adkins, and Willey managed to get a fourth place in their special events. Gagnet, handicapped by a knee injury, took second in the high jump.

S. A. A. U.

Four athletes from Southwestern were strong enough in the Senior Day S. A. A. U. Track and Field Meet held at Baton Rouge to account for one new Southern record and place third in the total team scoring.

The greatest performance of the meet was the sensational two mile run by Randall Stelly, long-winded sophomore of the Bulldogs. Stelly tied up with Schmitt of L. S. U., Delaesus of New Orleans and Case of Texas Tech and cracked the tape almost seventy-five yards in the lead of the nearest rival to smash a 21 year old record for the two mile event. His time for the race was 9 minutes, 43.8 seconds, good enough to break the old mark set by Henry Weiss of East End Athletic Club of New Orleans of 10 minutes 38.4 seconds in 1917.

In this long race, Stelly followed the pace set by the rivals and never seemed to be tired by the fast running. Running smooth yet timing every move, he overtook his rivals and dashed in with an ever-increasing lead. His performance will go down in S. A. A. U. history as well as into the annals of S. L. I. Track and Field performances.

Another first place for Southwestern was gained by Harold Walker of Welsh, who hit midseason form to win first honors in the broad jump with a leap of 22 feet 10½ inches. In the mile event, the fastest mile ever run by a South-

TRACK

western Louisiana Institute track man was performed by Stirling of Scott, who placed second to John Case of Texas Tech. Stirling's time was little over 4 minutes 27 seconds while Case showed championship form in running 4 minutes 24.7 seconds in the event.

Tarleton Daigle added more points to the Bulldog total by winning third place in the high hurdles. At the end of the race, Daigle was only inches behind the winner.

CROSS COUNTRY (A. A. U. AND NEW ORLEANS CROSS COUNTRY)

Southwestern's cross country squad came within seconds of defeating the powerful L. S. U. squad in the Southern A. A. U. race at New Orleans. Twice around the City Park over the four and seven-tenths mile route raced the two teams. Hamilton, L. S. U., crossed the line first with a time of 24 minutes, 39 seconds. DeLassus of C. Y. O., only independent entry, came in second, closely followed by Randall Stelly. Stelly was only five seconds behind DeLassus and had he been able to close the ever-narrowing gap between, the S. L. I. team would have at least tied the Tiger team. Carroll Baggett ran one of his best races thus far to place fifth. Joe Coords, time winner in the Thanksgiving Day race, took sixth, and Stirling took seventh.

If the Bulldogs' ace distance man had not been in a weakened condition as a result of an attack of influenza, the S. L. I. squad would undoubtedly have taken all four places in the New Orleans Cross Country race. Stelly who last year cut seconds from the A. A. U. two mile record and is rated as one of the South's best distance men, was started from scratch in this handicap race. Irvin Stirling was first to cross the line closely followed by his teammates, Coords and Baggett, who placed second and third respectively.

After the season was over, all knew that the track team had accomplished much. Next year, the varsity squad strengthened by the powerful array of freshmen, and losing only two seniors, Daigle and Thompson, should have one of the best track squads in recent years. Coach Browne plans several long trips and participation in some of the country's outstanding meets if the Bulldog spikemen come up to expectations.

IN APPRECIATION

We wish to pause here to publicly thank those who have made this, the 1939 L'Acadien possible. To Mr. De La Rue for his untiring efforts, guidance, and constructive criticism. Without his able help we would hate to think what this book would have been. To Dean McCullough, for his assistance with statistics, pictures and advice. To Miss Muriel McCulla for her assistance in the composition of the subject matter. To Mr. Stewart Bonnet for his type work and proof reading, go our thanks.

Our deepest appreciation goes to Miss Ruth Bunn for her willingness to do anything that was necessary for the planning, typing, and composition of written material for L'Acadien.

We are grateful to Kaliste Saloom for natural ability and technique at getting pictures needed. We also wish to thank Garrigues De-Jean, Clayton Hebert and Donald Marmande for their efforts to help whenever called upon.

To the Shreveport Engraving Company goes thanks for their superb engraving. To the Newcomb Studios goes our appreciation for their cooperation and interest towards us. We are grateful to the Williamson Printing Company for the fine quality of their work, and for their interest in our behalf.

To the many students who have helped us in various ways, and whose names do not appear above, we are sincerely grateful for all that you have done.

As for us, we have done our best. The only wish we have left is that we could be in South America when you, the Students, receive your copy of this, L'Acadien of 1939.
